9780735820715, Ingram Pub Services, 2006

Created as a companion piece to the 2005 best-selling book "The Advent Storybook, this Advent features Mother Bear and her small son, Benjamin, as they get ready to celebrate the true meaning of Christmas. All of the art is taken from the book and each numbered window opens to reveal the same pictures that Benjamin sees in the book. The trim size is the same as the book so that they can be wrapped up together as the perfect "pre-Christmas" gift for sharing with that child who just can't wait! The book and the Advent Calendar gently accent the actions and beliefs that Christians should be thinking about and following as they prepare for this Holy Day!
